

Reduce bad debt. Improve patient experience.

Find every dollar your patients deserve with Vivor's cloud-based financial assistance platform.

Broad Drug and Disease Coverage

Search hundreds of financial assistance programs across all specialty drugs and disease areas.

Real-time, Personalized Matches

View personalized programs for each patient or conduct a one-time search for quick results.

Task Management

Assign tasks to team members and stay on top of expiring or low-balance enrollments.

Powerful Reporting

Build custom reports spanning patient, enrollment and transaction records.

EHR Integration

Eliminate duplicate data entry with automated one-way exports of demographic, insurance and clinical data. Works with any standard EHR.

Fund Re-open Alerts

Avoid missed opportunities with automatic email and in-app notifications tailored to your own patient list.

HIPAA Compliance

Keep your PHI safe and secure. We'll sign any standard BAA and complete your IT review process.
